

Cactus Wren Monitoring Program Training
Saturday February 25th from 9:30am to 11:00am at Alta Vicente Reserve

For further information and to sign up please visit: <http://pvplc.volunteerhub.com>

Also, we have volunteer opportunities Monday-Saturday at our Native Plant Nursery and on our restoration sites. All of these events can also be found at:

<http://pvplc.volunteerhub.com>

Would we be able to include this as well? Attached is our current Volunteer Flyer for your use. Thank you for helping us promote our programs!

Happy Holidays,
