Bob Shanman is the owner of Wild Birds Unlimited, and is a long-time supporter of Audubon and many other bird-related and environmental groups in Los Angeles. Through his Wild Birds Unlimited store in Torrance, he has introduced thousands to the hobby of backyard bird feeding. In his new talk, **The Joy of Bird Feeding**, Bob will explain why the birds benefit from our providing food for them. He will describe the 5 steps to mastering bird feeding in the backyard, and introduce us to the 12 elements of thoughtful bird feeding stations for our backyards. His talk is based on the just-released book of the same title, written by Jim Carpenter, the founder of Wild Birds Unlimited. The book, a how-to guide, describes these subjects in more detail, and is a guide to 180 feeder birds across the country.

As a special gift, Bob is giving Audubon two copies of the book as part of our door-prize drawing for the evening.

Light refreshments will be served. Everyone welcome! Come and enjoy the program, socialize with friends, and fill out a ticket for the door prize drawing.
